 **FALL CARLISLE 2017**
SEPT. 27-OCT. 1

FROM THE EVENT MANAGER

TIM DEMARK

Welcome to the 43rd edition of Fall Carlisle. Our final event in Pennsylvania for the 2016 season is here. Thank you for your passion in keeping the benchmark in automotive events at an all-time high.

In an ever-changing marketplace the vendors, manufacturers and hobbyists have to stay dialed-in to what keeps the enthusiasm strong year after year. Our hats are off to you! We take the challenge seriously and continue asking for your constructive ideas and co-promotion of the events you attend. We all know word-of-mouth is the most powerful way to do this.

We hope you recognize the Carlisle Events' public relations, event development and social media teams have reached new levels of heightening awareness of the events. Some new benchmarks were established during the 2016 season.

Shop hard and smart. Work the event in a pattern, writing down space numbers if you have an interest in something you want to revisit later. Ask for business cards and dealer information in case you want to follow up after the event. Networking helps; don't be afraid to engage with the vendors, ask questions, exchange information and help each other. The vendors work hard and travel far. Put in the extra effort to make the event work for you. We are all in this together and share the bond of the collector car and truck hobby, and we are all part of the Carlisle Events' family.

We look forward to seeing you in Lakeland, Florida in November and February, and Allentown in January, then back here in April for the 2017 season. Thank you, we love having you.

HAPPY RETIREMENT TO BETSY SMITH

Betsy Smith has been greeting guests with a smiling face in the front office of Carlisle Events for the past twenty years. Upon her retirement in January 2017 the company will tip their hats in thanks for her service. Betsy's duties include answering

the phones, helping vendors and visitors, booking vendor space and so much more.

Originally from New Jersey, Betsy graduated from West Essex High School and Berkeley Secretarial School. She lives in Carlisle with her husband Jim and has three children – Brian, Daniel and Suzanne – who all live in the central Pennsylvania area. Betsy is very involved with Tree of Life Church, Sunday school and a number of small groups.

"The best part of any job I've ever had is the relationships that I build with the people I come in contact with. This includes co-workers, vendors and visitors – that is the best aspect of any job! Two of the things that I love to do most are to be an encour-

ager and a 'spreader of sunshine.' Carlisle Events is a great place to do just that!"

Betsy is in the vendor services office during the event. If she has made a positive impact on your experience here, please stop by and say "thank you!"

From Carlisle Events Co-Owner Bill Miller:

"Everyone who works with us is part of our extended family. Betsy is certainly one of our long-time employees that has a following with many of our vendors. That sweet voice on the phone will be missed by many but I am sure they will all wish her the best as she and her husband get to enjoy time together following their many interests. Betsy has told us when our very busy times hit she will be glad to stop in and lend a hand. Thanks Betsy for the many years of loyal service!"

From Carlisle Events Co-Owner Lance Miller:

"Betsy's kind personality will certainly be missed throughout our office and by our customers. She's pleasant to work with and has made some mean cakes too! We'll miss her, but I think we'll see her helping us out moving forward. Many thanks for your years of service and be sure to enjoy your retirement!"

2016 CORVETTES AT CARLISLE

2016: A Great Year

By Mike Garland, Carlisle Events Public Relations Manager

The Carlisle Events 2016 schedule includes 11 dates, four of which include a collector vehicle auction. During rain or shine the automotive hobby faithful joined us for a great year.

FALL FLORIDA AUTOFEST LAKELAND

In November 2015, Fall Florida AutoFest Lakeland made its debut and was met with rave reviews. In addition to being able to buy, sell and trade automobilia, guests were able to meet Hollywood legend Burt Reynolds! He met fans and signed autographs plus did a Q&A session in front of a screening of the movie, *Smokey and the Bandit*. In addition, there were motorcycle stunt shows, helicopter and airplane rides and a two-day collector vehicle auction. The auction moved 400+ cars with millions in total sales and a strong sell through rate. **Coming next month: November 10-13, 2016**

AUTO MANIA

The season opened with Auto Mania in Allentown with sold-out vending spaces and aisles packed

shoulder-to-shoulder with guests. From practical items for around the house and shop to tools, rags, car cloths, collectibles, classic cars, merchandise, literature and thousands of car pieces and parts, the weekend had it all! The neighboring Farmer's Market was also a popular draw for two of the three days, offering a wide variety of baked goods, home grown produce and more.

Of course nothing beats our loyal supporters who traveled from near and far to help make the event Pennsylvania's biggest and best indoor heated swap meet. **Save the date: January 20-22, 2017**

WINTER FLORIDA AUTOFEST LAKELAND

In February, we travelled to Lakeland, Florida for Winter AutoFest and what an amazing weekend it was! Special guests like Tom Wopat and Butch Patrick drew throngs of guests, cash giveaways kept showgoers until the end of each day and the swap meet, car corral and auction were perpetually busy. The enthusiasm was so high for the auction that pre-registered bidders skyrocketed, helping buy and

Fall Florida AutoFest Lakeland • November

sell cars to the tune of \$3.2 million. The auction sold out, the swap meet was packed and the showfield drew hundreds of vehicles. **Save the date: February 23-26, 2017**

SPRING CARLISLE

Amazing weather was a welcome treat in April for Spring Carlisle where 100,000 guests browsed for parts and vehicles. All of our 8,100 vending spaces sold out, which made it the perfect arena to film the Velocity Channel's new show "Swap Meet Showdown." Taking center stage was a brand-new seminar feature, where Pro Metal Shop shared fabrication techniques free of charge! Collector vehicles were being sold left and right in the Car Corral all weekend, while Carlisle Auctions also had 400 classics cross the block with sales totalling \$4.1 million! **Save the date: April 19-23, 2017**

IMPORT & PERFORMANCE NATIONALS

The newly branded Carlisle Import & Performance Nationals was a successful blending of two events that existed separately in the past. Brands like SAAB, BMW, Volkswagen, Audi, Renault and more anchored the showfield, while unique indoor displays showed how great classics can be in both their original and modified forms. Not only were cars on display, but many more were in action via autocross, drifting,

exhaust competitions, low car limbo and the always-popular burnout contest.

The event offered multiple opportunities to win awards, too, including Carlisle Elite and formal judging. The Passport Program encouraged guests to find checkpoints in the showfield that corresponded with countries of manufacture with a commemorative pin awarded upon completion. **Save the date: May 19-21, 2017**

CARLISLE FORD NATIONALS

Ford Motor Company stole the show by bringing some of their newest and best vehicles including the amazing GT, the Focus RS and F-150 Raptor pick-up truck. That, along with a record 3,134 vehicles on the showfield, helped showcase the past, present and future of Ford and its sister brands. Unique displays honoring the Bronco, Torino, Roush, the Pinto, Mystic Cobra and all 1966 Fords wowed our 50,000+ guests. There was autocross with Gateway Classic Mustang, a burnout contest, a parade to downtown Carlisle, new vehicle test drives at the Carlisle Expo Center, on-site performance installations, special guests and more. Plus, Ford Performance offered a \$2,000 parts giveaway. The show was an undeniable success! **Save the date: June 2-4, 2017**

(continued on next page)

Carlisle Import & Performance Nationals • May

CARLISLE GM NATIONALS

Some of the best from the past, present and future of the GM brand were on display at the Carlisle GM Nationals in June. From the Hurst/Olds cars to an Oakland, the Firebird to the Camaro, Toronado to the rarest-of-rare Fouranado, Carlisle had it all. The invitational displays hosted some of the coolest cars you'll ever see and Building Y served as host for the always-popular Solid Lifter Showroom. With three days of great weather, the turnout showcased the passions of the bow-tie loyalists. UMI returned with autocross, while SLP once again supported the burnout contest. We even brought the Predator Monster Truck for rides all weekend, plus Father's Day on Sunday helped wrap the show with a ton of freebies, family fun, awards and more.

Save the date: **June 16-17, 2017**

CARLISLE CHRYSLER NATIONALS

Literally and figuratively, the Carlisle Chrysler Nationals proved to be the hottest event of the season! Of course the event itself is amazingly popular, drawing guests from around the world. The "must see" aspects helped bring nearly 50,000 people and a record 2,717 cars. Combine that with four days of temps in the 90s and you get a hot (and happening) show! Popular features included NASCAR legend Richard Petty, Rachel DeBarros from *All Girls Garage* and *Dukes of Hazzard* stars Rick Hurst (Cletus) and Catherine Bach (Daisy). The Dodge Drag and Drift thrill rides along with burnouts and autocross helped quench everyone's need for speed, plus decades of Mopar history was on display. The weekend proved again that it's THE show of shows.

CARLISLE TRUCK NATIONALS

The most fun truck-themed weekend in the region proved its worth once more as the Carlisle Truck Nationals experienced great fanfare. More trucks were onsite by mid-morning Saturday than all of 2015 and this year's total was within the top-5 all time for this event. It all started Friday with a general event day, followed by an amazing concert with Michael Ray and Ben Gallaher. Monster trucks and a freestyle motocross stunt show also wowed guests as did popular competitions like highest truck, low truck limbo, drop and drag and burnouts. The beauty contest also packed the stands and the big rig glow show brought an exciting Saturday to a close. Half the states in the U.S.A. were represented and tens of thousands of guests had a blast.

Save the date: **July 14-16, 2017**

CORVETTES AT CARLISLE

What's great got even better as Corvettes at Carlisle offered its first four-day event and, in doing so, proved once more why this is THE must-attend Corvette show in the world. With some 50,000+ guests and 5,000 Corvettes (on the Fun Field and parking areas), it's easy to see how every single year of production was showcased. In addition, the annual 50th Anniversary display featured 1966 Corvettes, while the Chip's Choice invitational focused on Guldstrand and Greenwood Corvettes. Team Chevrolet was in attendance to talk shop and meet passionate Corvette owners and lovers. Carlisle also welcomed celebrities within the Corvette hobby, hosted free seminars and offered a giveaway to Ron Fellows Driving School in Nevada.

VENDOR SPOTLIGHT: WOLFIE'S CARS LOCATED AT L 117-121

Don and Christine Wolfgang of Wolfie's Cars live life by "The Golden Rule." They have been vending at Spring and Fall Carlisle and the Carlisle Chrysler Nationals since the early 90s.

During the Chrysler show in July they were looking at show cars on Sunday afternoon and spotted a bank bag on the ground. They picked it up and saw that it was full of cash. (Keep in mind this occurred after the event ended with minimal people or staff present.)

I happened to stop by to thank them for supporting the event when, without hesitation, they told me what they found. We counted the money together and put it away for the evening. There was no form of identification, deposit slip, etc. except a wornout

name written on the bag. The next day phone calls were made and the money made it back to the rightful owner. None of this surprised any of us because we know there are many good people just like the Wolfgangs that come to Carlisle. Obviously these folks live life by "The Golden Rule" of "Do unto others ..."

Don and Christine are a great example of the type of people you can meet at Carlisle. One of the key reasons they attend our events is the people. They've enjoyed developing many great relationships over the years.

Wolfie's Cars specializes in classic car parts with an NOS mix. Don and Christine enjoy their business together – where you find one you'll find the other. Don stated "I enjoy the buying

as much as the selling when we come here. Carlisle Events is great at keeping the shows fresh and interesting." They especially enjoy the quality, quantity and variety of food provided by our concessionaires. The Wolfgangs say the food is unrivaled by many other events they visit.

The pride of being a part of Carlisle Events shines through when you talk to people who have been coming for years. You can tell they are part of something exceptional.

"Kurby" their Yorkie has been the third wheel for the better part of seven years and he wouldn't miss an event. If you get a chance, stop by and visit Don, Christine and Kurby at Wolfie's Cars at spaces L 117-121.

OFFICIAL EVENT GUIDE PARTNER

It's no secret that American car values have been on the move over the past few years, both up and down. It pays for buyers, sellers and owners to know exactly what's going on in the marketplace at any given time, and that information is exactly what American Car Collector magazine does best. Each issue of ACC contains more than 100 market reports on individual cars that have appeared at auction, with published sold prices highlighted by on-site evaluations that cover condition, originality and options. Not only do we tell you what a car sold for, we help you understand why. Every issue also includes in-depth

PREFERRED AUTO PARTS STORE

RockAuto ships thousands of auto parts from over 300 manufacturers to customers on every continent except Antarctica – including APO/ FPO addresses. The RockAuto catalog is updated daily with mechanical parts such as brake pads and shock absorbers, body parts such as bumpers and mirrors, interior trim such as door handles and carpets, and major assemblies like steering gears, CV axles, engine long blocks, and complete transmissions. There are no mechanics on staff (RockAuto is a store, not a repair shop) but service manuals are available to help customers learn how to perform a repair. The RockAuto catalog is expanding constantly. Someday, it may be possible to build an entire car using parts from RockAuto!

HELPFUL HINTS FOR VENDING SUCCESS

We receive a number of observations and suggestions from vendors, event participants and buyers all the time. We also know that some vendors need to adjust to the ever-changing marketplace. In an effort to help everyone's success, we've compiled the following list of things you might consider.

- **DISPLAY: Is your display neat, organized and professional looking?** Help your customers see what you have to offer with an organized display including signs that clearly identify parts and prices.
- **PRICES: Are your prices competitive?** The days of overexcited, uneducated buyers are over. With the internet at virtually everyone's fingertips, customers can quickly find what they want; but if you have it in front of them for a competitive price, they're likely to choose yours now since they can walk away with it.
- **INVENTORY: Are you selling what customers are buying?** Stocking your display with what's in demand is a sure-fire way to be successful. If you mostly sell parts for just a few very specific vehicles, consider diversifying your inventory.
- **PERSONAL TOUCH: Are you friendly and approachable?** Your customers may be more willing to spend their money with you if you are friendly and have a positive mental attitude.
- **PARTS HAULING: Do you tell your customers that parts hauling services are available?** Your customers may be more likely to make a purchase if they know they won't have to carry it to their vehicle. Just tell them to **call 717-960-6429 to request the service.** (We also offer on-grounds taxi service for our less mobile guests.)
- **Do you have business cards?** It's important to have business cards available for two reasons. One, it

gives a potential customer a reminder about your company and a way to contact you when they are ready to buy. Two, it helps your brand make an impact. Some booths simply display products but sales can take place after the event. Make sure your business cards are available to these customers.

- **Do you have overstock and limited operating capital?** Some vendors are hitting the liquidate button on inventory/overstock. Be competitive.
- **Are you writing down your stock at the end of the year by adjusting its true value?** Several vendors talk about depreciating or writing down their stock value to make it on the back end with taxes at the year's end. (Consult your accountant.)
- **Are you taking advantage of Carlisle Events' vendor discounts?** Early renewals, buy 2 get 1 free, buy 1 get 1 free, multi-show, etc. – these specials are designed to save you money while creating greater earning potential. Call to see if you qualify.
- **Are you networking with fellow vendors?** Gather contact information, including email addresses, phone numbers and special interests. Good relations with fellow vendors can be a key factor in your success.
- **Are you returning your form to receive a free specialty listing in the event guide?** Our customer service staff get hundreds of questions during every event from customers looking for specific items. Take advantage of this free service!

Thank you for your continued dedication to vending with Carlisle Events. We are all in this together; your success is important to us.

–Tim DeMark, Swap Liason

LINDA MARLENE BRUMBACH

Known by many as "The Doll Lady," Linda Brumbach had been a vendor from Spring 1998 through Chrysler 2015, noting Fall as her favorite event. She had loyal customers from Canada, Central America, South America and Europe. Due to complications related to Dementia, she passed away on May 8, 2016. She will be missed by many and, especially, her life-long companion Charlie Theobald.
